## What Happens After You Join

The La MANCHE VTT members voluntarily dedicate efforts and time to provide support and assistance in the process of elaboration of the Strategy for leading and managing change in higher education (La MANCHE Strategy) in the five Partner Countries represented in the La MANCHE project (Georgia, Ukraine, Belarus, Armenia, Azerbaijan and Moldova).

Following the posting publication within the Consultation Section, the author of the statement/article facilitates the discussion among the La MANCHE VTT members. Upon completion of the discussion, the author prepares a memo reflecting the main conclusions and results of the discussion.
