LOCAL TRAINING N3

April 29, 2014 a training-seminar was organized on “**Developing skills for effective change management in Higher Education**” for the university administrative and academic staff within the framework of Tempus La MANCHE project. The training aimed at developing skills for effective change management in higher education. Head of the Educational-methodical Center, Vice-rector Smbat Daveyan introduced the experience of project partner universities in leadership and change management. During active discussion the participants pointed out the existing problems in leading and managing change in higher education.
